KHADIJAH

Hi, I'm Khadijah! I graduated with a degree in Economics, but my true passion lies in illustration and graphic design. I'm currently working full-time as a freelance graphic designer and illustrator, creating meaningful and visually captivating artwork. In my free time, I also enjoy creating content such as: Instagram Reels, TikTok Videos, YouTube Videos. Some of the content has very good engagement.

The sample of my projects that can be public can be seen here:
